JOSHUA LEDERBERG

PRESIDENT

Admiral T. B. Hayward, USN
Chief of Naval Operations
The Pentagon
Washington, D. C. 20350

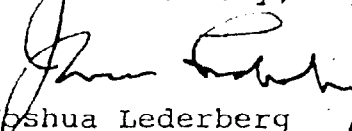

Dear Admiral Hayward:

Thank you for your letter of 30th May inviting me to join the CNO Executive Panel.

Having received much of my education in uniform in the Navy V12 program, during the latter part of World War II, I have felt a special obligation to the Naval Service and to the thoughtful policies of development of personnel and technology for which it has been justly renowned. If at this time I can make a contribution to the same end, it is both a privilege and the discharge of a particular debt.

I accept with pride and will do my best to work with the Panel to the extent that I can fit its meetings into my schedule.

Yours sincerely,

Joshua Lederberg

I look forward to you 6/23 mtg. and will happily join you for dinner — but must return to NYC by latest shuttle. I could not rearrange my schedule for 24 June on this notice. Please advise your early convenience schedule for future mtgs. so I can reserve time.
